To a most charming & beautiful secretary,

It's strange, but after four years
of hard work (not to mention "play")
I'm graduating. Will you ever "graduate"
from Florence High? Sure hope so.
Keep in touch & outa trouble

John R. Gardner

YEAR **at a glance**

The years come and go, and so do we, but the good and bad will always be in our memory. The Staff of the '83 Saguaro - "Year at a Glance" attempted to preserve a few, but precious of these memories. We hope that the pages of this annual will help to take a backward look at F.H.S. and will provide fond memories for everyone of us

A DEDICATION OF: HONOR!

Debby Cathemer-F.H.A.-3, 4, Pres. 4; G.A.A.-1, 2, 3, 4; Pep Club-1, 2, 3, 4; Tennis-2, 3, 4; Volleyball-1, 2, 3, 4, Capt. 4; Poms-3, 4, Capt. 4; Homecoming Queen-4.

This year the annual has been dedicated to Debby Cathemer. She was born, raised, and educated in Florence. As a native she was very active in school and community activities. After Graduation in 1970, she worked in the community for 8 years. Then she started work as Secretary of the Florence High School office. Since her five years here, she has filled the posts of firefighter, counselor, financial aid and other strenuous jobs. Besides being general handywoman, she is a big supporter of High School athletics and Pep Squads.

1. Debby stops for a pose while filing.
2. Our favorite secretary as a Graduate.
3. Could Debby have received an obscene phone call?
4. Debby takes time for a breather and rests for a while.

The 82-83 Saguaro Staff started the year off with a lot of confusion and ended in just as much if not more. Mr. Hinton not only had his hands full with class being mostly seniors, but the class was led by an all-girl editor's team. We tried a lot of new things in the annual this year, like adding several features and sections. Cissy Gutierrez was the Class Editor and Index Editor, which was quite a load. Kathy Siegal reigned as the Organization's Editor, while Kate Thomas was kept busy all year as the Activities Editor. Karen Baker was the Sport's Editor, and did a very good job of making the teams look as good on the pages as they did in action. Mima McCann had the not-so-glorious or easy job of Business Manager-Advertising Editor. Lisa Goswick, the Copy Editor, had the difficult task of typing 99% of the writing in the annual. Where the girls had a monopoly on the editors positions, the photographers were all guys. They took a lot of hassling from the other staff members. Keith Gardner was the Head Photographer. The Staff deserves a lot of credit for the ads and annuals they sold, and the many hours spent on their layouts. ^{*}Lisa Groves-Editor^{*} and Penny Jauregui-Assistant Editor had the never ending job of checking layouts, making decisions and trying to keep the class working.

The Interpretation of Myth

The important thinkers Carl G. Jung and Claude Lévi-Strauss have presented relevant theories of mythic thinking and have proposed useful methods for analyzing myths. For the purposes of this paper I will first present the theoretical foundation of each of these men, then I will use the example of the White Buffalo Woman myth in the book Black Elk Speaks to demonstrate how the theories apply to a specific myth, and finally I will compare the interpretations and theories of Jung versus Lévi-Strauss.

Jung puts primary stress on the origin of mythic thinking as pre-linguistic and from the unconscious psyche. Jung, interested in the workings of the mind, came up with a theory (based on Freud) in which the mind is divided into the rational, individualistic consciousness, and the unconscious consisting of a personal and collective unconscious. The personal unconscious consists of a sexual personality the opposite of the conscious mind, and the collective unconscious consists of archetypes which are important in the way they cause the conscious mind to help guide the character of the individual. According to Jung, the unconscious consists of archetypes which are important in the way they cause the conscious mind to help guide the character of the individual.

JOURNAL

September 13th
Human behavior is diversified thing to study with a little time on my hands. The crowd outside Hubbard. Every one else. It is an incredible thought, especially when you think of how complex your own behavior is. It is the life long goal for some people to discover what their own identity actually is. And it is closer to you than you think.

Yet people try to understand and explain human behavior and the list goes on. Skinner claims it is sexual, Skinner claims it is conditioning, and he list goes on. Man has terms of Science, biology, psychology, philosophy, yet each explains a different part of life to the understanding of human behavior and the possibilities on how to live.

Forensic Team On The Move...

Sponsor: Mark Hinton

The Forensic Team competed at many tournaments in the Phoenix area. Our team is very small in comparison to the other larger schools, but we ranked high in competition against them. The team members, paying their own way, had to use many Saturdays of the year to attend these competitions. Overall this was great training for the students and very enjoyable.

The Spanish club consists of any student with Spanish credit or presently attending the class. Over the years the Spanish club has had many fiestas, taco and tostada sales. They have attended the Arizona State Fair in Phoenix. They also go Christmas caroling during the holidays. Thanks to John Borquez the Spanish club sponsor this organization is one of the top on the campus.

This year Student Council had alot to do. Aside from making important decisions about school activities, they sponsored many dances including the homecoming dance and the festivities. They also take credit for the can food drive which proved to be a big success. The can drive provided needy families of Florence with food to serve for Christmas. Florence also had Irene Vargas, Penny Jauregui, Mary Jo Heck and David Mandel picked as delegates to represent Florence at the State Convention of Student Councils.

The 82-83 Florence G.A.A. has had a good year. We started out by electing officers. Rene Goade-Pres., Andi Cordova-Vice-Pres., Penny Jaurequi-Treas., Sharon Lewis-Sec. Our membership for G.A.A. this year was 25 young athletes. Our money products this year consisted of a Valentine sucker sale in Feb. and a G.A.A. spring T-shirt sale. G.A.A. offers an organization for the young athletes of Florence High School. We hope through guidance and companionship our athletes can go on to pursue a career which is useful to them.

The Lettermen club enjoyed another successful year because of the great attitude of the Athletes. Some of their progress was providing awards and letters to our schools outstanding athletes. They also had alot to do with athletes who could not afford the high insurance prices. Without the help of the lettermen club many athletes who play a key role in athletics may not have been able to participate in sports due to the rising insurance prices.

Aside from Floyd Meads various band conducting jobs, he was guest conductor 6 years at the University of Wisconsin summer music clinic, 2 years University of Illinois, summer music clinic, 1 year central Michigan summer music camp. He also played the trumpet in U.S. Air Force bands during World War II. The Florence band has shown great improvement under his direction.

Our mighty Gophers of the 1982 Varsity Football Season did quite a job. Comparing this years team to last years, they were awesome. They had an outstanding season, killing the enemy and keeping themselves in good shape. We are all very proud of our team, we want them to know that. Our team fought their way to the top and gained the prestigious title of: CONFERENCE CHAMPIONS. We all know that the team, has worked hard to achieve this goal and we commend them for it. But, of course, what is a team without a coach, and Coach Moran is quite a coach. We tip our hats to our Mighty Gophers.

The 1982 J.V. Football team rebounded from a 2-6 season in 1981 to a 6-2 season this year. This turn around was due mainly to the hard work and dedication in the weight room and on the field. Much of the credit goes to our new assistant coach Phil Verdugo who handled the line and the defense; also Coach Moran who kept these boys in the weight room during the off season. Last but not least, Coach Jimenez whose excellent coaching made this years J.V. team the best ever!! We are very proud of our 1982-83 J.V. football team.

The 82-83 Pom Line was chosen in the Spring of 1982. They spent the summer getting to know each other and raising money. Their uniforms were bought with their own money and their shoes with the money they raised. During the year they performed at pep assemblies and at half-time of the football and basketball games. They also supported the girls basketball team. They devoted their lunch hour everyday to practice routines, and it wasn't due to strong will powers but to necessity. The Poms had alot of great times in which they all became good friends. Appreciation should be given to the sponsor Mrs. Christopherson and Debbie Cathemer for all they have done.

Thanks for all your help!!! J.G.B.

The 1982-83 Varsity Cheerleaders helped to lead the Florence Gophers to a Conference victory in football, by giving them their full support. They spent every evening during the summer and school year practicing at the high school. Most of them gave up even trying to have a dinner, due to lack of time. They really had a lot to cheer about during the 1982-'83 seasons, and did a good job at the pep assemblies and games.

Mrs. Carol Joyce began teaching at Florence High in the fall of 1981. During the fall of 1982 she became ill with Leukemia. After which, she stopped teaching to undergo treatment at Tucson Medical Center. She was as dedicated to teaching as she was to being a wife and mother. She was a very good teacher' as well as an exceptional woman.

Many students at Florence High School never knew how to write a term paper, until the instruction of Mrs. Joyce. She was good natured, and took a lot of kidding from the students.

On Friday, January 14, 1983, Mrs. Joyce passed away. Those who knew her suffered a great loss as did those who had yet to meet her. For all that you gave and taught Mrs. Jovce, we thank-you.

And You'll Never Be Forgotten

Then it's over — but actually it's just the beginning. The student body receives the book. What will they say? Will they hate me? Have I left something out or put in the wrong information? What can I do? Should I run and hide? Do I change my name or should I just be myself?

These are just part of the worries of being the Editor in Chief. You want everyone to like the book, so you work many hours, hard long hours. But, thanks, to my fantastic staff, mostly my sponsor and my editors, we all shared the burden.

At this time I would like to give a special thanks to my Asst. Editor Penny Jauregui - "Trash - Can Penny", I couldn't have done it without you. Mr. Hinton, thanks for all your support and all that you put in this yearbook. To Cissy Gutierrez you did a lot more than your share Carmelita. Keith Gardner, thanks for being patient and for all the pictures. Also, Jim Burns, Lisa Goswick, and Karen Baker for all that they did. Mima McCann, you put in time and a lot of sweat. And most of all to my staff; Art, Sal, Jamie, Peter, Herb, Armando, Connie, Kathy, Kate, Becky and Irene. Thanks for all you did. Sorry about all the yelling, but — we finally did it — we made the book! Also a special thanks to the Student Body because we wouldn't have this book without you — because you are the book!

P.S. Thanks Patty Conzemius!!

Softball Flies To The Top!

The soft-
ball team
turned what was
supposed to be a
bad season into a tick-
et to the state playoffs.
Even though the team had
only ten players they had alot
of heart and desire. They really
put things together at the end of the

season
when they
beat superior and
Clifton to knock
them out of the confer-
ence race. Though they
tried hard at the state play-
offs they lost a heartbreaker to
Antelope.

1st row: Vicki Celaya, Shanda Lewis, Coach
White, Becky Vasquez, Cecelia Clemans.
2nd row: Diane Rodriquez, Cindy Jennings,

Margaret Feliz, 3rd row: Valerie Neal, Sylvia
Lopez, Andi Cordova, Phyllis Pullum, Terri
Cruz. Missing: Delphina Ruiz.

In the past five years Florence has had a very successful Track Team. This year was no different, it was the sixth year Florence has won the Conference Championship Title.

Awards were given to Armando Reyes for most improved, he won 2 gold medals at State in the shot and discus. Most valuable was received by Bruce Reed who averaged at least thirty points at conference and state.

At State Florence did very good. They received State Runner-Up against Morenci who just beat Florence by 10½ points.

Congratulations on the great year and keep up the good work.

Go! Reach!

I'm almost there, almost there!

Swinging Into Action!

There were times during the season where our team played as if we might challenge for the "B" Central Conference Championship but, there were also times when we didn't even know the way to the ball park. Inconsistencies plagued of Varsity Baseball team this year. Our over all record was 7-11, conference record 5-5 tied for 3rd place. A big plus this year was the experience gained by some of our younger players; Doug Crawford, Joe Martinez, Mike Padilla, Louie Celaya, all Jr., J.T. Neal, Felix Cruz, Alfred Lamb, all Soph., Ricky Garcia, Frosh. This experience factor will help improve our team next year.

Much responsibility was put on our Senior players this year and for the most part they responded well. Mike Silvas lead the team in hitting with a .429 batting average and 24 RBI's. John Myers hit .310 with 18 RBI's and 3 home runs. Tom Gutierrez ended his career at F.H.S. with 85 stolen bases in 94 attempts. This gains him a tie for 2nd place in career stolen bases in the State of Arizona. Other seniors on the squad were: Phillip Celaya, R.J. Heck, Sal Madril, Tony Segovia. Many thanks to our assistant coaches for all their time and dedication to our program, Dan Turner and Phil Verdugo.

Alda,

For a long time
I've come into the office for
a little comic relief. You've been a
very good friend for my high school years.
I'm going to miss having you around to cheer
up. I'll come back and visit you, though.
Please, take it easy and be good. I will try and
keep in touch, and you have to return the favor.
God bless you.

Love,
Rick

Debby,

Well my years here at
Florence High are finally gone.
Having you here in the office
sure did make it a lot easier.
My time has come to leave so
I hope the rest of your years
here at Florence are good ones,
and I hope the kids are nice
to you. Take Care and God Bless
You Always.

Love a friend,
